

Fahad Ali

Multan, Pakistan | +92 301 5109990 | fahadalihere@gmail.com

Professional Summary

Motivated Software Engineering undergraduate with a strong foundation in programming and web development. Proficient in C++ with a solid understanding of Object-Oriented Programming (OOP) concepts. Skilled in HTML and CSS, with a working knowledge of JavaScript and responsive web design principles. Alongside academic studies, gained valuable creativity, communication, and problem-solving skills through over two years of freelance experience in video editing and digital content creation. Eager to apply technical knowledge, learn from industry professionals, and contribute to real-world software projects through an internship while continuing to expand expertise in software engineering and artificial intelligence.
